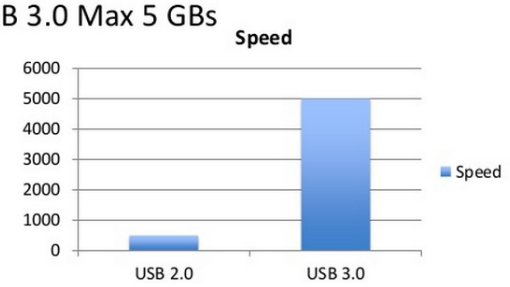
HuddleCam-HD 30X Overview

Take the lead with USB 3.0 video conferencing speeds for full 1920x1080 30fps video resolutions and super fast PTZ Controls. USB 3.0 is 10X faster than USB 2.0 allowing for exceptional video quality using your favorite web based video conferencing solutions! Tested with Google Hangout, Skype and Zoom.US this camera works with virtually every system that accepts USB cameras!

USB 2.0 vs USB 3.0

- USB 2.0 Max 480 MBs
- USB 3.0 Max 5 GBs



HuddleCam-HD 20X Remote

The HuddleCam-HD 20X remote control offers both fast and slow Pan Tilt Zoom controls. With options for up to 9 presets you can easily provide easy video conferencing set-up. Controls for auto, manual, far and near focus are one button away. This remote control can support up to 3 cameras in the same room. Plus the variable speed Fast/Slow PTZ is helps with zooming during your confernece.
